It's all about knowledge and trust in our branch. Knowledge you acquire, trust you earn. We succeed in this because we have excellent mastery of our profession and because we strive to establish a unique personal relationship with all our clients.

## knowledge and trust

On the basis of the above attitude, Borrie has been providing financial services since 1950, and giving economic and fiscal advice to medium-sized and large businesses, the self-employed and not-for-profit organisations. It is our mission to create a financial climate for our clients in which they can function optimally and flourish. Borrie has offices in Rotterdam and Amsterdam and employs over 100 staff members.

### Borrie Tax Lawyers

- the owner-director and his business: business succession; mergers and takeovers; reorganizations; self-managed pension; wage tax/social insurance contributions; VAT
- International tax planning: structures; transfer pricing; wage tax/social insurance contributions / VAT
- Wealthy private individuals
- Estate planning
- Returns: income tax; corporation tax

## good relations with the tax authorities

It is our mission to create a financial climate for our clients that will enable them to benefit for a long time from an optimum tax burden. The tax advice provided by Borrie relates to the owner-director and his business, to the fiscal structure of international concerns, to wealthy private individuals, to the management of real estate and to all possible forms of tax returns, at both the business and private level.

Everyone tries to manage their assets in such a way that they know where they stand in the fiscal sense. In the meantime, the law changes and limitations become possibilities – and vice versa. The team of fiscal experts at Borrie are continually updating their knowledge and are able to provide both entrepreneurs and private individuals with appropriate advice, so that relations with the tax authorities remain optimum, without becoming intimate.

## at home in the client's world

Borrie has both feet firmly planted in the client's world and keeps up to date on everything that is relevant to both the business and the entrepreneur himself. Furthermore, we are smart and fast: we provide adequate advice efficiently, so that the financial situation remains clear and transparent at all times.

## integrity in business

In a dynamic financial world, Borrie chooses the long-term approach. Profit is important, but integrity and honesty in business yield more in the long run. With this approach, we help entrepreneurs to do the right thing; for themselves and for the future of their business.

## alliances and memberships

We are a member of the professional organisations NBA, NOB and SRA. Borrie is also an active and driving force in the Alliot Group, a worldwide alliance in the field of accountancy, tax advice and consultancy. The Alliot Group has more than 160 member firms in some 70 countries. The strict selection criteria which all members meet are a guarantee for high-quality service.
