It is our mission to create a financial climate for our clients in which they can function optimally and flourish. Borrie has offices in Rotterdam and Amsterdam and employs over 100 staff members.

from technical support to total service

In order to provide the best possible assistance with payroll and personnel administration, Borrie makes use of online software that proves its worth in practice. The advantage is that you can decide for yourself what you do in house and what you outsource. Furthermore, the costs are low, your data is always backed up and you can consult the payroll and personnel administration around the clock.

People using our services in the field of payroll and personnel administration can decide for themselves what they want to purchase. If they only need the software and take care of the input themselves, they can keep the costs low. It is also possible to leave everything to us, or choose any conceivable intermediary form. Furthermore, you can call on us for expert advice in the field of wage tax and social security contributions, labour law, cross-border employment and other HRM issues.

at home in the client's world

Borrie has both feet firmly planted in the client's world and keeps up to date on everything that is relevant to both the business and the entrepreneur himself. Furthermore, we are smart and fast: we provide adequate advice efficiently, so that the financial situation remains clear and transparent at all times.

integrity in business

In a dynamic financial world, Borrie chooses the long-term approach. Profit is important, but integrity and honesty in business yield more in the long run. With this approach, we help entrepreneurs to do the right thing; for themselves and for the future of their business.

We are a member of the professional organisations NBA, NOB and SRA. Borrie is also an active and driving force in the Allriott Group, a worldwide alliance in the field of accountancy, tax advice and consultancy.
