It's all about knowledge and trust in our branch. Knowledge you acquire, trust you earn. We succeed in this because we have excellent mastery of our profession and because we strive to establish a unique personal relationship with all our clients.

knowledge and trust

On the basis of the above attitude, Borrie has been providing financial services since 1950, and giving economic and fiscal advice to medium-sized and large businesses, the self-employed and not-for-profit organisations. It is our mission to create a financial climate for our clients in which they can function optimally and flourish. Borrie has offices in Rotterdam and Amsterdam and employs over 100 staff members.

Good relationships are long-lasting, personal relationships

Borrie is a full service office geared towards providing long-term service. That is to say, we perform all the services that might arise. It also means that we have the knowledge and the people to offer our clients total support – in whatever branch they operate and whatever the size of their organisation. Many of our clients also ask us to handle their private finances. Others restrict themselves to a request for advice on a specific sub-area. On the right you can see what Borrie can do for you.

at home in the client's world

Borrie has both feet firmly planted in the client's world and keeps up to date on everything that is relevant to both the business and the entrepreneur himself. Furthermore, we are smart and fast: we provide adequate advice efficiently, so that the financial situation remains clear and transparent at all times.

In a dynamic financial world, Borrie chooses the long-term approach. Profit is important, but integrity and honesty in business yield more in the long run. With this approach, we help entrepreneurs to do the right thing; for themselves and for the future of their business.
